Counsel shall confer with the Directors of other interested Divisions of the Board or their designees. Notwithstanding the foregoing, the Board may, on its own motion if it deems reconsideration appropriate, elect to reconsider its action with respect to any application, and the parties to such application shall be notified by the Secretary of the Board of its election as provided above. If it is determined that the Board should reconsider its action with respect to an application, such action will be stayed and will not be final until the Board has acted on the application upon reconsideration. If appropriate, notice of reconsideration of an application will be published promptly in the FEDERAL REGISTER.

(l) *Waiver.* The Board, or the officer or Reserve Bank authorized to approve an application, may waive or modify any procedural requirements for that application prescribed or cited in this section and may excuse any failure to comply with them upon a finding that immediate action on the application is necessary to prevent the probable failure of a bank or company or that an emergency exists requiring expeditious action.

§ 262.25 Policy statement regarding notice of applications; timeliness of comments; informal meetings.

(a) *Notice of applications.* A bank or company applying to the Board for a deposit-taking facility must first publish notice of its application in local newspapers. This requirement, found in § 262.3(b)(1) of the Board's Rules of Procedure covers applications under the Bank Holding Company Act and Bank Merger Act, as well as applications for membership in the Federal Reserve System and for new branches of State member banks. Notices of these applications are published in newspapers of general circulation in the communities where the applicant intends to do business as well as in the community where the applicant's head office is located. These notices are important in calling the public's attention to an applicant's plans and giving the public a chance to comment on these plans. To improve the effectiveness of the notices, the Board has supplemented its notice procedures as follows.

(1) The Board has adopted standard forms of notice for use by applicants that will specify the exact date on which the comment period on the application ends, which may not be less than thirty calendar days from the date of publication of the notice. The
